

OFFICER LEADERSHIP TRAINING

In the summer of 2008, DECA state/provincial and chapter officer teams from across North America will meet in the U.S. capital to hone their leadership and chapter management skills. Officers will have the chance to network and share ideas while they receive advanced training from TRI Leadership.

Officers will leave the meeting with new information, new leadership techniques and renewed energy. They will also have the opportunity to visit with government officials and see national treasures they can only find in Washington, D.C.

See you there!
