Outstanding DECA Chapter Advisor Award

Each state/provincial association of DECA will recognize any DECA chapter advisor who is actively involved in DECA activities. Attached is a list of approved activities with point values attached to each. To earn the Outstanding DECA Chapter Advisor Award, an advisor must earn a minimum of 153 points. For the 2008-2009 school year, points will begin to accumulate at the state/provincial Career Development Conference and end at a time designated by the state/provincial advisor before the next year's state/provincial Career Development Conference. Advisors who accumulate the required number of points will submit a brief application to the state/provincial DECA advisor documenting each activity. Qualifying chapter advisors will earn a lapel pin and certificate from DECA Inc. recognizing their achievement. Advisors will be recognized at the state CDC.

State/provincial advisors are able to add items that are unique for that state's/province's DECA and Marketing activities. Point totals may be adjusted at the discretion of the state/provincial advisor.

State/provincial advisors will notify DECA Inc. of the number of qualifying chapter advisors **not later than 3 weeks** prior to the state CDC. This will enable awards to be sent in ample time for distribution at the state/provincial CDC. Estimated number of participants given to DECA Inc. during the fall *does not* constitute an order.
