

Professional Division Awards

Outstanding New DECA Chapter Advisor Award

The Outstanding New DECA Chapter Advisor Award recognizes DECA chapter advisors with three (3) years of service or less. The nomination by state/provincial associations is based on significant advisor contributions to DECA chapter innovation and professionalism. Each state/province will determine its own selection standards. DECA Inc. will recognize recipients with a certificate and lapel pin. The maximum number of awards per state is one.

State/provincial advisors will notify DECA Inc. of the qualifying New DECA Chapter Advisor **not later than 3 weeks** before the state CDC in order for the award to be sent in ample time for distribution at the state/provincial CDC.
