ENTREPRENEURSHIP  Growing your Business

The Entrepreneurship (Growing Your Business) event involves the idea generation and strategy development needed to grow an existing business. Only Collegiate DECA members who currently own and operate their own business may participate in this event.

The Entrepreneurship (Growing Your Business) event involves 1 to 3 students analyzing their current business operations and identify opportunities to grow and expand the business. Options may include franchising, expanding into new markets, opening a second location, licensing agreements, merging with or acquiring another business, diversifying product lines, forming strategic alliances with other businesses, expanding to the Internet, etc.

EVENT OVERVIEW

The Entrepreneurship (Growing Your Business) event consists of 2 major parts, both evaluated by the judge, for a maximum 100 points:

- The written report is limited to 15 pages, and will account for a maximum 50 points.
- The presentation by the students, limited to twenty minutes including set-up, presentation time, and answering questions from the judge, will also account for a maximum 50 points.

For the presentation, the judge will assume the role of a potential investor and will evaluate both the written report and the presentation.

The content to be evaluated is found in the standard Evaluation Forms located in these Guidelines. Preliminary round competition will consist of an evaluation of the written report (minus deductions from the Written Entry Checklist) accounting for 50 points, and one presentation, also accounting for 50 points. Students will be ranked according to their combined score, and a predetermined number of students/teams will be named finalists. Finalists will again be evaluated based on their written report (minus deductions) and presentation to determine final rankings. The following guidelines will be applied to the presentations at the International Career Development Conference.

These might include sample questionnaires used, letters sent and received, general background data, minutes of meetings, etc. Provided that the appendix includes such “exhibits” and is NOT used for “content” that should be included under previous sections, the appendix does NOT count as one of the maximum 15 pages. Any such misuse of the appendix may result in penalties under the Written Entry Checklist Guidelines.
CHECKLIST STANDARDS

In addition to the items outlined above, students must observe the following rules. The purpose of these rules is to make the competition as fair as possible among all students. Points will be deducted for each violation. Refer to the Written Entry Checklist.

1. Two “official” written reports must be submitted. Both of these must be submitted in official Collegiate DECA (or DECA) folios. Folios are available from DECA Images (catalog # FOLIO). No markings, tape or other materials should be attached to the folios.

2. Both “official” written reports must be brought to the student briefing session to be turned in for evaluation according to the Written Entry Checklist. These will be kept by the event director and will be given to the judge prior to your presentation. The students may retain other copies (or photocopies) for their personal reference during the presentation. These do not have to be in official folios, will not be evaluated, and may not be shown to judge.

3. The written report must be limited to 15 pages, including the title page, which is not numbered. The pages must be numbered in sequence; however, a page number will not appear on the title page. The title page does count as one of the maximum 15 pages allowed. The page following the title page will be numbered “2”. One page will be counted for each 8.5 x 11-inch panel or fraction thereof (foldouts, brochures, etc.). Extra pages added as dividers or additional title pages (even if blank) are included in the maximum 15 pages.

4. Body copy of the written report must be at least double-spaced (not space-and-a-half). Title page, executive summary, bibliographical references, appendix content, footnotes, long quotes, material in tables, figures, exhibits, lists, headings, sample letters, forms, charts, graphs, etc. may be single-spaced. Material may appear on one side of the page only.

5. Entry must be typed/word processed. Handwritten corrections will be penalized. Charts, graphs, exhibits may be handwritten.

6. Colored paper, ink, pictures, etc. are allowed. Divider tabs, page borders, artwork, attachments, foldouts, paste-ups, photographs, etc. may also be used, but are still subject to number of pages and page size restrictions.
STUDENT INSTRUCTIONS

GUIDELINES FOR THE PRESENTATION

• This event does allow the use of materials (i.e., sample brochures).

• All materials must be prepared by the students, with the exception of sample materials related to the business.

• The students may bring copies of the written report to the presentation for their personal reference. These do NOT have to be in official folios, will NOT be evaluated, and may NOT be shown to judges.

• Self-contained, state-of-the-art technology (personal or laptop computers/hand-held digital organizers) may be used. However, students must use battery power even if electrical outlets are available in the room.

• Visual aids (poster paper, flip charts) may be used.

• All materials, equipment, supplies, etc. must be provided by the students. DECA assumes no responsibility for damage/loss of materials, equipment, supplies, etc.

• Only materials that can be easily carried to and from the competition areas will be permitted (includes computer equipment, visual aids, etc.). Only the students may handle and set up their materials. No outside assistance will be allowed.

• Materials appropriate to the situation may be handed to or left with the judge. Items of monetary value may be handed to but may not be left with judges. Items such as flyers, brochures, pamphlets and business cards may be handed to or left with the judge. No food or drinks allowed.

• Students will have up to 20 minutes to present their growth plan and to answer questions from the judges.

• Space provided for this event may be limited to a 6’ x 8’ pipe-and-drape booth in an arena atmosphere (includes judge’s table and chairs).

• When using a presentation aid, such as a laptop computer, the noise level must be kept at a conversational level that does not interrupt other students. If this guideline is not followed, the students will be interrupted and asked to follow the noise policy.

• Competitors are also responsible for following the information provided in the General Rules and Regulations for competition found on page 3.

Failure to follow guidelines may result in disqualification.

PRESENTATION SCHEDULE

10 minutes for the judges to review the written entry
20 minutes for student presentation and questions by the judges
10 minutes for scoring by the judges
The Entrepreneurship (Growing Your Business) event was created by Collegiate DECA in response to the desire for college students currently operating a business to grow and expand the business. Current entrepreneurs have worked to develop a plan to grow and expand their current business operations. Growth options may include franchising, expanding into new markets, opening a second location, licensing agreements, merging with or acquiring another business, diversifying product lines, forming strategic alliances with other businesses, expanding to the Internet, etc.

JUDGING THE WRITTEN ENTRY
Please familiarize yourself with all of the guidelines before reading any of the written report. Penalty points (see Written Event Checklist) have already been assessed. Your job is to evaluate the written report based on the Written Entry Evaluation Form.

• Place the students' name(s) and identification number(s), using labels if provided, on the bubble score sheet as instructed (if not already done). If a bubble score sheet has not been provided, this information must be placed on the Written Entry Evaluation Form for this event.

• You will have 10 minutes to read the report before the students enter the judging area/room. This is an appropriate time to evaluate the report using the Written Entry Evaluation Form. Refer to the Evaluation Criteria section for guidelines.

• On the bubble sheet provided, please bubble in the appropriate score and write the score on the corresponding line to verify accuracy. Please make sure not to exceed the maximum score possible for each item.

• Please make sure to score all categories, add them for the total score, and then initial the total score. The maximum score for the Written Entry is 50 points.

• The written project may include an optional appendix. An appendix may include sample questionnaires used, letters sent and received, general background data, minutes of meetings, etc.
JUDGE INSTRUCTIONS

JUDGING THE PRESENTATION

• Please familiarize yourself with all of the guidelines before interacting with students. Your job is to evaluate the presentation based on the Presentation Evaluation Form.

• To ensure fairness, at no time should a student be asked where he/she is from (school, state, country, etc.).

• Please place the students’ name(s) and identification number(s), using labels if provided, on the bubble score sheet as instructed (if not already done). If a bubble score sheet has not been provided, this information must be placed on the Presentation Evaluation Form for this event.

• Students will be scheduled for presentations at 40 minute intervals.

• You will have 10 minutes to read the written report before the students enter the judging area/room.

• The 20 minutes following the introduction will allow the students to outline the growth plan and answer questions. Remember, you are role-playing a potential investor. You may refer to the Written Report or to your notes during the interaction with the students.

• To insure fairness, you must ask the students the same questions—one question from each of the major categories shown on the evaluation sheet would be appropriate. After asking the standard questions, you may ask other questions for clarification specific to the current students.

• Following the 20 minute interaction period, please thank the students for the presentation. Please give no indication of their performance/score.

• During the last 10 minutes, after the students are excused from the judging area, you may score the students. Refer to the Evaluation Criteria section for guidelines. On the bubble sheet provided, please bubble in the appropriate score and write the score on the corresponding line to verify accuracy. Please make sure not to exceed the maximum score possible for each item.

Please make sure to record a score for all categories, add them for the total score, and then initial the total score. The maximum score for the interview is 50 points.

Note: If a bubble score sheet is not provided, indicate your scores on the Entrepreneurship (Growing Your Business) Presentation Evaluation Form.

You may be asked to complete the Recap section and total your combined score for both the written entry and the interview. The section manager will double-check all addition.

The Presentation Evaluation Form follows the outline shown in the section entitled Guidelines for the Presentation, which explains in greater detail what should be discussed in each part.

During the presentation, ask yourself, “Will this work? Is it realistic? Does the students sound knowledgeable? Is the students communicating clearly?” Ultimately, you must decide, “Would I invest in this business?”

PRESENTATION SCHEDULE

10 minutes for judges to read the written entry
