BUSINESS OPERATIONS RESEARCH EVENTS

JUDGING INSTRUCTIONS

DECA's Competitive Events Program is aligned to industry-validated National Curriculum Standards in the career clusters of marketing, business management and administration, finance and hospitality and tourism. The DECA members you will be judging have qualified from a series of competitions and represent the top performers from their state/province.

EVENT OVERVIEW

- The event you have agreed to judge includes two major parts: a written entry and an oral presentation.
- You have been assigned to judge one section of this event.
- In your section, you will judge 16 to 20 participant teams (1 to 3 participants), who are only competing against each other in the preliminary competition. The top two performing teams from each section, after combining the written entry (60 points maximum) and oral presentation (40 points maximum) score, will advance to final competition.
- As a judge, you will evaluate the participant teams' written entry and presentation using the provided rubric.

YOUR ROLE AS A JUDGE

- Carefully review the event guidelines and evaluation form to understand your characterization as a judge.
- During the first part of the day, you will evaluate the written entries. Use pencil to complete the scantron form, recording the score in the box and blackening the correct score. You may need to adjust scores as you establish clear expectations for performance. The event director will provide you with an estimated amount of time to spend on each written entry.
- Once you begin to see participant teams, after introductions, begin the 15-minute presentation. Allow the participant teams to complete their presentation without interruption, unless you are asked to respond. Each participant must take part in the presentation.
- Following the oral presentation and if time remains, you may ask questions based on your notes or on the written entry itself. Please ask the same questions to all participants for consistency in scoring.
- Materials appropriate for the situation may be handed to you or left with you by the participants. Items of monetary value may be handed to but may not be left with the judges. Items such as flyers, brochures, pamphlets and business cards may be handed to or left with the judge. No food or drinks allowed.
- At the conclusion of the presentation, thank the participant(s). Please do not provide any feedback to the participant(s).
- Use a pencil to complete the scantron form, recording the score in the box and blackening the correct score. You may need to adjust scores as you establish clear expectations for performance.
- If you have any questions, please consult your event director.
- All participants, regardless of race, color, religion, sex, national origin, age, disability, sexual orientation or socio-economic status, should be treated equally and respectfully.

TIPS AND SUGGESTIONS

- Perform a consistent judge characterization and maintain the same expectations of participant teams throughout to ensure an equitable competitive environment.
- Create a positive learning environment for participants.
- To assist with the determination of winners, please avoid giving ties.
- Participants scoring a combined total score of 70% or better on the competitive event components will earn a Certificate of Excellence.
