

STOCK MARKET GAME

STOCK MARKET GAME SMG

Participants in the SIFMA Foundation **Stock Market Game** develop and manage a virtual investment portfolio of stocks, bonds, and mutual funds. The Stock Market Game is conducted via the internet and allows DECA members to test their knowledge and skills against other DECA members in an online competition. Each participating team manages all aspects of the portfolio including asset selection, buying and selling. The goal of the competition is to increase the value of the portfolio.

During the course of the Stock Market Game, participants will:

- develop investment strategies based on expectations of growth, diversification and stability
- attempt to avoid the pitfalls of market decline, mergers and overextension

ONLINE EVENT OVERVIEW

It is the responsibility of the advisor and participating teams to familiarize themselves with the *Rules of The Stock Market Game*. Rules are accessible through a link on the home pages of the team portfolio and in the Teacher Support Center.

- The Stock Market Game will contain one (1) ICDC qualifying event to take place from September 4 through December 14, 2018.
- The last day for making transactions in Stock Market Game team portfolios is the day before the end of the session: December 13, 2018.
- Teams may not invest more than 33% of their total equity multiplied by 1.5 in any one company. If a stock in a team portfolio increases in value and places the investment beyond 33% of their total equity multiplied by 1.5, they will be able to retain their shares but unable to purchase additional shares of that stock. This rule is the Maximum Equity Rule. The Stock Market Game system will automatically enforce this rule.
- Each team must have at least one successfully completed trade by the close of market (4PM ET), Friday, October 26, 2018. Portfolios must contain a minimum of three different types (a stock investment, a bond investment, and a mutual fund investment) by close of market (4PM ET), Thursday, December 13, 2018. Teams may change the companies, bonds and mutual funds they are invested in but must maintain a minimum of three different investment types. Teams that do not follow this rule will be disqualified.
- Portfolios will be available for retrieval until January 11, 2019. After January 11, 2019, portfolios **will not** be accessible.
- Rankings will be based on the percentage growth above or below the value of the S&P 500.
- The top 25 teams from each region will qualify to present their portfolio at ICDC. Students competing at ICDC in the Stock Market Game may not compete in another ICDC event. Only original team members may compete at ICDC. No substitutions will be allowed to the original team.
- All teams and students must be registered with DECA in order to participate. Otherwise they will be disqualified.
- All registered advisors must be a teacher. Students are not allowed to be listed as the advisor. The teams will be disqualified if it is not set up correctly.
