

# DECA CERTIFIED SCHOOL-BASED ENTERPRISES

Congratulations to the following chapters for earning a DECA SBE Chapter Certification for 2018! To become DECA certified, students reflect upon their work in the SBE through documentation of 10 key business standards and performance indicators from the Business Administration Core, the Marketing Career Cluster and the Merchandising Pathway of National Curriculum Standards. Earning a Gold Certification qualifies students to participate in the exclusive SBE Academy + Competition held annually at DECA's International Career Development Conference.
