

# HOUSING INFORMATION

Housing reservations for DECA's International Career Development Conference are submitted to the assigned hotel by the chartered association advisor who receives and verifies the information from chapter advisors.

All attendees must stay in the official DECA property assigned to the chartered association delegation in order to participate in DECA's International Career Development Conference. All attendees must be a registered guest each night of the conference in his or her assigned DECA hotel, for a minimum of four nights, beginning with the night of the opening session.

Each chartered association advisor will receive from DECA Inc. the assigned hotel for the delegation and is asked to register all student delegates, adult advisors/chaperones and spouses by completing the housing form provided by the hotel. When complete, email a copy to the assigned hotel, Christopher Young at [christopher@deca.org](mailto:christopher@deca.org). Housing forms are due to the hotels no later than **March 21**.

Due to the limited number of multiple housing rooms in the hotels, two-bedded rooms will be used first as a quad for students, then as a twin for adults. Two adults may be assigned to a one-bedded room. A rollaway may be available depending upon the property.

The hotels have been advised to make no charges without a credit card on the room. Because of the large number of students involved, chartered associations are responsible for all charges incurred by their chartered association delegation.

According to the Delegate Conduct Practices and Procedures, any damage to any property or furnishing in the hotel rooms or building must be paid for by the individual or chapter responsible. Chartered associations will be responsible for delegates' conduct.
