EVENT SITUATION

You are to assume the role of director of marketing for WORLD OF DONUTS, a quick serve restaurant specializing in a variety of donuts and coffees. The senior vice president (judge) has asked you to develop a promotional plan for their new streamlined menu and positioning strategy.

WORLD OF DONUTS is the oldest and best-selling donut chain in the nation. The company began in 1950 and simply sold donuts and coffee. During the past few decades, other menu items were added such as breakfast sandwiches, bagels and other baked breakfast items as well as a wide variety of both hot and cold beverages. Today there are more than 11,000 shops worldwide. WORLD OF DONUTS has a large social media presence on Twitter, with several company tweets per day. The company also posts on Facebook and Instagram, but with less frequency than Twitter.

The biggest competitor to WORLD OF DONUTS is the number one coffee shop chain, STARBURST. STARBURST has more locations, higher profits and a more recognizable brand than WORLD OF DONUTS. To keep up with STARBURST, WORLD OF DONUTS quickly added gourmet coffees and flavorings to its menu, added fresher ingredients for breakfast sandwiches and scaled back on the number of donut flavors offered. While WORLD OF DONUTS did not underperform, the changes did not yield the results expected.

Executives at WORLD OF DONUTS have decided to once again change the menu and the positioning of the chain. Instead of trying to compete with STARBURST, it has decided to market itself as the opposite of STARBURST. STARBURST regular customers like the laid back, cozy atmosphere of STARBURST coffee shops. Some customers work all day at STARBURST and think of it as office space. The gourmet drinks and sandwiches offered take time to make, which increases wait times inside and in the drive through.

WORLD OF DONUTS executives have decided to streamline the menu and remove all of the food items that take longer than two minutes to make. The chain will bring back the retired donut flavors that made the chain popular and focus on donuts and coffee. Instead of competing with STARBURST, WORLD OF DONUTS wants to be the opposite – a place for customers to get a quick cup of coffee and a donut on their way to work. The streamlined menu will create a quicker drive through and counter service experience for customers.

The senior vice president (judge) would like you to develop a promotional plan for the new WORLD OF DONUTS streamlined menu and change in strategy. The senior vice president (judge) would like the promotional plan to be introduced via social media.

You will present the promotional plan to the senior vice president (judge) in a role-play to take place in the vice president's (judge's) office. The senior vice president (judge) will begin the role-play by greeting you and asking to hear your ideas. After you have presented the plan and have answered the senior vice president's (judge's) questions, the senior vice president (judge) will conclude the role-play by thanking you for your work.

During the course of the role-play you are to ask the following questions of each participant:

1. What is one possible negative consequence of our new strategy?
2. Why is it important to introduce the promotion on social media?
3. Do you think we need to introduce the promotion before the menu is streamlined?

Once the director of marketing (participant) has presented the plan and has answered your questions, you will conclude the role-play by thanking the director of marketing (participant) for the work.

You are not to make any comments after the event is over except to thank the participant.
