COOKIE ICE CREAM BOWLS

with Chocolate Chip Cookie Dough

INGREDIENTS

Sweet Discovery Chocolate Chip Cookie Dough (1.33 oz)
ARYZTA# 58800

Ice Cream (6 scoops)
Homemade Chocolate Sauce
Semi Sweet Chocolate (6 oz)
Heavy Cream (3/4 cup)
Unsalted Butter (1 tbsp.)
Optional: Sprinkles

DIRECTIONS

1. Pre-heat oven to 325°F.
2. Spray or butter muffin pan. Take two chocolate chip cookie dough nuggets & form them into one large ball. Press cookie dough into the bottom of the greased muffin pan & begin forming the dough up the sides of the muffin cup. Make sure the base is nice and level and the bottom & sides are pressed down firmly. Use your fingers or a spoon to spread dough evenly into muffin cup to form the bowl shape. Work fast to not warm the dough too much.
3. Bake cookie cups for 10-15 minutes or until they are light brown.
4. Remove the pan from the oven & while the cookies are still hot, press a narrow glass (a shot glass will work) into the cookies to reform the bowl shape in each muffin cup.
5. Return to oven & bake for another 5-10 minutes or until the cookie cups are golden brown.
6. Remove from oven & allow to cool completely.
7. Prepare chocolate sauce in a saucepan over medium heat. Heat the cream & butter until combined. Add the chocolate. Stir until chocolate is melted & smooth. Remove from heat & allow to cool completely.
8. When cookie bowls are cooled place a scoop of ice cream inside & top with desired amount of homemade chocolate sauce. Sprinkles are optional, but fun!
1. Grease a quarter sheet pan.
2. Pre-heat oven to 350° F.
3. Crumble chocolate chip cookies into a food processor and process until ground into a fine crumb. Some of the chocolate chips will not grind down, that is ok.
4. In a bowl, mix together cookie crumbs, melted butter and salt.
5. Press cookie mixture evenly into the sheet pan.
6. Bake for 10 minutes or until edges are golden.
7. Remove from oven and allow to cool.
8. Using a hand blender or mixer, beat together cream cheese and sugar until smooth.
9. Reduce mixer speed to low and beat in egg. Mix until fully incorporated.
10. Mix in Greek yogurt and vanilla extract.
11. Beat until mixture is smooth and combined.
12. Pour cheesecake mixture over crust. Sprinkle with mini semi sweet chocolate chips.
13. Bake for 20 minutes or until the edges are set.
14. Remove from oven and allow to cool. Cover and refrigerate for a few hours or overnight.
15. Cut and serve.

- Granulated Sugar (3/4 cup)
- Corn Syrup (3/4 cup)
- 3 Egg Whites, Room Temperature
- Cream of Tartar (1/2 tsp.)
- Salt (1/8 tsp.)
- Vanilla Extract (1 tsp.)
