PENALTY POINT CHECKLIST

In addition to the Written Entry Guidelines, participants must observe all of the standards on the Penalty Point Checklist on page 54. These standards are designed to make competition as fair as possible.

PRESENTATION GUIDELINES

- Prior to the presentation, the judge will evaluate the written portion of the entry. The major emphasis of the written entry is on the content. Drawings, illustrations and graphic presentations (where allowed) will be judged for clarity, not artistic value.
- The participants will present the project to the judge in a 15-minute presentation worth 100 points. (See Presentation Judging.)
- The presentation begins immediately after the introduction of the participants to the judge by the adult assistant. Each participant must take part in the presentation.
- Each participant may bring a copy of the written entry or note cards pertaining to the written entry and use as reference during the presentation.
- If time remains, the judge may ask questions pertaining to the project.
- Only visual aids that can be easily hand carried to the presentation by the actual participant(s) will be permitted. The participants themselves must set up the visuals. Wheeled carts, moving straps or similar items may not be used to bring visuals into the area. Set up time is included in the total presentation time. Participants must furnish their own materials and equipment. No electrical power or internet connection will be supplied. Alternate power sources such as small generators are not allowed. Sound may be used, as long as the volume is kept at a conversational level.
- Materials appropriate to the situation may be handed to or left with judges in all competitive events. Items of monetary value may be handed to but may not be left with judges. Items such as flyers, brochures, pamphlets and business cards may be handed to or left with the judge. No food or drinks allowed.
- If any of these rules are violated, the adult assistant must be notified by the judge.

PRESENTATION JUDGING

Participants will make a 15-minute presentation to you. You are role-playing a venture capitalist who is determining if the concept is viable to satisfy a market need and is worthy of further exploration for feasibility. You may refer to the written entry, or to notes, during the presentation.

At the beginning of the presentation (after introductions), the participants will describe the proposal and the feasibility of the business venture. Allow the participants to complete this portion without interruption, unless you are asked to respond. Each participant must take part in the presentation.

If time remains, you may ask questions that seem appropriate, based on your notes or on the written entry itself (to which you may refer during the presentation).

At the conclusion of the presentation, thank the participants. Then complete the Presentation Evaluation Form, making sure to record a score for all categories. The maximum score for the presentation is 100 points.
