The Professional Selling and Consulting Events provide an opportunity for participants to demonstrate skills needed for a career in sales and or consulting. Participants will organize and deliver a sales presentation or consultation for one or more products/services/customers.

The guidelines for each of the Professional Selling and Consulting Events have been consolidated to facilitate coordination of participant activities in each of the career categories. This means the evaluation form will be the same for each career category. However, each career category will deliver a sales presentation or consultation for a different product or customer described below in the “Products/Services and Target Customer Descriptions” section.

2023 SCENARIOS

New products, services, and target market customers (prospects) will be identified annually. The participant will research an actual company that he/she represents and real product(s)/service(s) to be presented. The participant will also research the target customer that the product/service will be presented to. Then the participant will present the product(s)/service(s) using the steps in the selling/consulting process to meet the needs of the customer (prospect).

Financial Consulting: For 2022-2023 you will assume the role of a financial consultant to a local bank or credit union. The bank or credit union is looking to close some of its brick-and-mortar locations and transition more of its services to an online/virtual platform. The bank or credit union is seeking your recommendation on what services could be transitioned to an online-only banking platform without compromising customer service to its customers.

Hospitality and Tourism Professional Selling: For 2022-2023 you will assume the role of a sales representative for a technology firm that specializes in touchless technology integration. A local amusement park owner has scheduled a meeting with you to discuss how to implement touchless customer options and learn about the types of products that can be integrated into their company to benefit their business.

Professional Selling: For 2022-2023 you will assume the role of a sales representative of a virtual human resource firm that specializes in employee accountability. Since the pandemic, the company is allowing workers to work remotely and is looking for a solution to hold employees accountable for their workload. The chief operations officer of a major company has scheduled a meeting with you because he/she is interested in using your services to ensure accountability in the virtual workplace.

PRESENTATION GUIDELINES
• The objective for the sales presentation or consultation is for the participant to assume the role of salesperson or consultant making a presentation to a potential buyer or client (judge). Prior to ICDC, the participant will prepare a sales presentation or consultation presentation for the product/service and target market customers described in the appropriate categories.

• The participant may bring presentation notes to use during the sales presentation or consultation.
• If time remains, the judge may ask questions pertaining to the sales presentation or consultation.
• Only visual aids that can be easily hand carried to the presentation by the actual participant(s) will be permitted. The participants themselves must set up the visuals. Wheeled carts, moving straps or similar items may not be used to bring visuals into the area. Set up time is included in the total presentation time. Participants must furnish their own materials and equipment. No electrical power or internet connection will be supplied. Alternate power sources such as small generators are not allowed. Sound may be used, as long as the volume is kept at a conversational level.
• Materials appropriate to the situation may be handed to or left with judges in all competitive events. Items of monetary value may be handed to but may not be left with judges. Items such as flyers, brochures, pamphlets and business cards may be handed to or left with the judge. No food or drinks allowed.

At the beginning of the presentation (after introductions), the participant will make the presentation or consultation. Allow the participant to complete this portion without interruption, unless you are asked to respond.

If time remains, you may ask questions that seem appropriate.

At the conclusion of the presentation, thank the participant. Then complete the Presentation Evaluation Form, making sure to record a score for all categories. The maximum score for the evaluation is 100 points.
